

## You Are a Part of Me

Where to begin?  
At the beginning.

You were miraculously knit in my womb,  
For you are a part of me!

Hard to believe, but oh, so true.

As I got to know and watch your character grow,  
I saw myself in you,  
For you are a part of me.

You think and feel that I don't know,  
That I don't care, but just the opposite is true.

Just as I cannot deny the existence of my hand or other parts of me,  
So am I unable to deny the beauty of you!  
For you are a part of me.

Even when you can't see me,  
Even when you can't hear me,  
Even when you can't feel me,  
I am always there...  
For you are a part of me.

How can you not know that I always think of you,  
Always wish and pray the best for you,  
For you are a part of me... and always will be.

No matter where I go,  
No matter what I do,  
No matter what I say or don't say,  
No matter how I feel or act,  
You are a part of me,  
And I always love you.

No matter where you go,  
No matter what you do,  
No matter what you say or think or feel,  
I always and forever love you,  
For you are the very best part of me!
